Commodore's Report

Now that summer is officially over, we get to shift our focus to a ***fantastic fall at SCCYC!*** This is a stunning time of year, with the SCCYC Balcony being one of the best places to enjoy a sunset & friends. **We have lots activities coming, so please keep reading!**

It's time to get the next SCCYC team in place for 2012. This means we have important events that need your participation.

The Nominating Committee has a wonderful slate of officers to present. The members of the slate will all be introduced at the October Membership Meeting and Dinner, which is our Annual Business meeting. As an SCCYC member, we hope you want to be a part of the process and join us for this wonderful evening. I believe you will be as excited about this team as I am.

Here is a partial list SCCYC events for October:

Friday October 7th – Our First Friday Dinner! We are excited to have our very own Chef Fleck cooking. Cocktails at 6:00 and dinner at 7:00.

Friday, October 21st – Membership Meeting and Dinner – Be there to meet the 2012 Nominating Committee's slate of officers for next year! You can also meet our newest member who bravely volunteered to cook – Kevin & Charlotte Kearns will be making Shepards Pie! Cocktails at 6:00, dinner at 7:00 and **Annual Business Meeting** at 8:00 sharp.

Saturday, October 29th – Pumpkin Carving Contest & Cook Off. Time to **GET CREATIVE!!** Did you make it last year? We all had a blast! We have prizes for the following categories:

Pumpkin Carving:

Scariest

Cutest (yes, we are doing a prize for a new category - "Cutest pumpkin" design)

Most creative (I'm already looking for designs to try for my pumpkin!)

Pumpkin Cook Off:

Best sweet

Best Savory

Favorite overall

Commodore's Report Continued

Last year we had pumpkin au gratin, pumpkin soup, pumpkin ice cream, pumpkin mousse, an amazing pumpkin cake that looked like a log, etc. No idea is too creative! Try it out on this crowd. You can go traditional & try your best pumpkin pie recipe too. Maybe we will be lucky & have leftovers for the

next day & our Campbell Cup...

Sunday, October 30th – The SCCYC Campbell Cup! This may have been my favorite regatta last year. If not for the fun racing with SCCYC boats, friends and family, then it was the Grilled Cheese Sandwiches & Campbell's Tomato Soup for post-regatta fare. This year we will try to have extra grilled cheese for the ravenous crowds. **Do NOT miss this one!!** We will do whatever it takes to get all members on a boat! No experience necessary.

Housekeeping items.....

Club security – We are being proactive in updating the combinations as we have changes in membership. Please know we are not trying to be confusing, but feel the security of the club is a high priority. Call me or Bruce if you have any difficulty. Please, clean up, drop cash in the safe, put alcohol in cabinet and lock it, then ensure all doors are locked. We need your help!

Pets - We have had a great influx of wonderful, adorable, loveable pets! While we think of them as people, we need to respect that our human members come first. Pets do not belong in the kitchen, on chairs, stools, tables or the bar. Another consideration is that we have members who are allergic to animals. Plus, this influx of adorable pets has also added to our pest population. We finally got rid the termites, but now have fleas as our new pests. We are treating the club, but need to make sure pets are not adding to this problem when they come in. If unsure, please leave pets on the balcony. The SCCYC House Rules mandate that ALL pets be kept on a leash when at the Club. I ask that you be respectful to the human members of SCCYC.

Just a few more upcoming dates to save:

Friday November 4th – [First Friday Dinner](#) – Guest Chefs have a wonderful dinner planned.

Saturday, November 12th – Back by popular demand! Get your crock pots fired up for the [SCCYC Chili Cook Off!](#)

Friday November 18th - [Membership Meeting & Dinner](#) – We will have a fabulous dinner to get you to join us for our [Election of the 2012 Officers](#). If you can't be there, please use the proxy that will be in your mailbox the last week of October.

Thursday, November 24th – Thanksgiving Day!

Sunday, November 27th – [SCCYC Holiday decorating & tree trimming party!](#) We need ALL HANDS ON DECK to deck the halls & get our little club in its holiday finest! Please join us for hot chocolate & cider. Feel free to bring leftovers for the hungry crowds.

Sunday, December 4th – **Board of Directors Reception hosted at SCCYC**, followed by a fabulous **SCCYC Installation Dinner**, again being held at Saporì's in Fisherman's Village! It is time to see how everyone looks when we are all spiffy!!

Jr. Staff Commodore (race) Report

The Outlaw Regatta drew a lot of Flag Members out to race. I saw the following at the Seal Beach Yacht Club. Steve Mullen, Robert Symer, Jim Miller, Jim Doherty (and Maureen who there to drive crew back to MdR). Geoff Downer, Michele Shanks, Noah Farrell, with me on Transformer. Tracey who won her PHRF class. Jerome racing his mini transat. The Smiths who sailed with Geoff on Jim's boat Camelot. That's like 20% of our entire membership out racing!

Correct me if I am wrong but Tracie's first place finish in this race marks the first ever trophy for and OPEN 5.70 in a PHRF race. Way to go Commodore! And props to Jim Doherty and

crew for winning their class.

The picture is of the San Pedro oil rigs in the sunset.

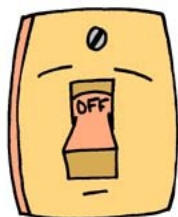

Noah and I raced on Transformer, owned by Joel Young out of DRYC. Transformer is a Beneteau 52, and a beautiful boat. Our race did not go that well but we had a beautiful motor/sail cruise back to MdR after the party at Seal Bach. Starting with me and going clockwise is Noah (our esteemed Bar Manager), Vadim Mantelzak (on last month's Beacon Cover), Arastu (pronounced close to "arrest you") from CSUN sailing club, Joel Young of DRYC and Padro from CSUN sailing club.

Nik Vale won the Open 5.70 Pacific Coast Championship crewing for Michael Gough in San Francisco on USA 186 "boracic" (Nik's old boat)

Frinedly Reminder: If you are the last one to leave:

Turn off the lights and fans.

Make sure both doors are locked. Lock on the liquor cabinet. Check the lock on the office door.

Drop the money from the Donation Jar into the bank

Record what you dropped in the OD log along with your name and date.

And take them down!

OD Duties

If the Visitor Center had flags at half mast, follow their lead.

Watch for board members to arrive. Hoist their burgee.

Put the flags up.

Wash the towels, there is laundry soap under the kitchen sink

I know, this is traditionally the Commodores job. But if Tracey is not there.... Watch for Juanita, the custodian, she recycles the bottles and Cans.

Take out the trash.

There should not be a need for this. Everyone that uses the kitchen should clean up after themselves! It is not the responsibility of the OD to clean up after others.

Stock the beer cooler.

The Bar Manager lugged it up the stairs, the least we can do is put it in the cooler.

Mop the floor, clean up in the kitchen, vacuum the rug.

Each year US Sailing sponsors a Championship of Champions Regatta. This year it is being held at the Corinthian Sailing Club in Dallas TX. In order to race you must apply and qualify. In order to qualify you must have won a major regatta in the preceding year. Then your application is reviewed by a committee and the top 19 candidates are selected to race.

The screen shot in the middle is from the US Sailing Web Site, showing a list of competitors accepted to race. The call out directly below that shows three names. Do you recognize one of them? I do.

When you see her be sure to wish her luck.
