

Get More Out of Owning Your Boat

For over seventy years, SCCYC has cultivated an active and personable membership. Benefits of membership include eligibility to enter yacht races, organized cruises to Catalina and other harbors, the camaraderie of other sailors, and a chance to wear a blue blazer with white trousers a couple of times a year.

Add in a few, tasty, low-cost dinners a month, a seat at the bar, or just watch boats dock and undock from the balcony and you'll see why more sailors are joining SCCYC and are getting more out of owning their boat.
